

Support Southern Exposure. Become a Member.

Through the support and involvement of our members SoEx has provided essential programs and services to the visual arts community for 35 years. **Your contribution makes it possible** by funding creative and cultural innovation—in the gallery, in the public realm, through grants and resources for artists and the arts education community, and, of course, in providing critical, direct support to artists.

With the opening of our new home at 3030 20th Street there has never been a more exciting time to get involved with SoEx. Our inaugural year is full of opportunities for participation and engagement, none of which would be possible without the generosity of our members. We invite you to join today and be a part of SoEx's core support system, ensuring that artists receive unwavering support far into the future.

Help us continue the conversation. **Donate today.**
