1 PART-TIME TEACHING ARTIST 1 PART TIME ASSISTANT ARTIST (2 OPENINGS)

## **Southern Exposure's Youth Advisory Board**

### **Job Description**

**Deadline to Apply: Monday, August 1, 2011, 5 pm**

Southern Exposure's nationally recognized Artists in Education (AIE) program brings together diverse youth, artists, schools and organizations in a dynamic series of innovative programs. AIE offers youth opportunities to learn critical, artistic, vocational, and cultural experiences beyond the traditional school environment. It also offers professional teaching opportunities for local emerging artists to become arts educators, extending their practice into the community. Sparking a dialogue on contemporary artistic practice and sociopolitical issues, AIE demonstrates the role of artists in society and reflects the conceptual thinking from our exhibition programs to provide new means of expression for youth. With the decrease of art taught in the public schools and the lack of positive, creative outlets for youth, AIE fills a crucial need in the community.

Southern Exposure is seeking **2 TEACHING ARTISTS, 1 PART-TIME LEAD TEACHING ARTIST, 1 PART TIME ASSISTANT TEACHING ARTIST** for its Youth Advisory Board (YAB) program. YAB gives young people the opportunity to exercise leadership skills and participate in their community by exploring relevant social and personal issues through visual arts. YAB is organized by Southern Exposure's Artists in Education Program in collaboration with local community-based youth organizations. The program bridges neighborhoods and cultures by pairing local artists with teens.

Two Art instructors, along with Southern Exposure's Artists in Education Program Manager, will collaborate and teach approximately 15 to 20 teenagers this fall to produce a final project based on a socially relevant theme that will be based on research, field trips, discussion and hands on art making.

Artists should begin the program with a focus to produce a final show and develop workshops that build toward that goal.
