Informal discussions with topics generated by students from each of the three schools, jumping off from the SF MOMA panel, the presentations or from other topics of shared interest.

Multiple round tables will happen at the same time. Each school is invited to prepare 1 or 2 conversation topics and/or formats to host.

Pinata:

Bring ideas for conversation topics, dance moves, activity instructions, koans, and experiments to add to the piñata's loot before we smash it open.

We are looking forward to jammin' with you.
