The Lab: Southern Exposure Monster Drawing Rally 2023

October 21, 2023 @ 3:00 pm - 9:00 pm

Combining the energy of a monster truck rally with the creativity and brilliance of the Bay Area art community, Southern Exposure's annual Monster Drawing Rally is a can't-miss event. And this year it's in-person Saturday, October 21, 3-9 PM, at The Lab. The Monster Drawing Rally is an incredible afternoon of artmaking and fundraising where over 100 local artists create brand-new work right before your eyes. As you spy on the creative process, you'll see sketches, paintings, and collages morph into full-fledged artworks – immediately available for just \$100 each.

As part of our commitment to supporting artists, all participating artists have the option to receive up to a 50% commission of the sale, with remaining proceeds going directly to furthering our work at Southern Exposure.

Early bird bonus: The first 50 people to purchase tickets for our 2023 Monster Drawing Rally will receive a new, limited-edition print by acclaimed artist Cathy Lu, for free! Ticket purchasers after the initial 50 will have the option to add-on a print for \$20.

DJs will be spinning music for drawing and dancing all afternoon long. Wine, beer and non alcoholic drinks will be available to purchase. This family-friendly event is a celebration of the creativity and ingenuity of the Bay Area art community. A kids art-making table will be available for all the budding artists.
