## **1 PART-TIME CONTRACT TEACHING ARTIST AND 1 PART-TIME CONTRACT TEACHING ARTIST ASSISTANT (2 OPENINGS) Southern Exposure's Youth Advisory Board**

**Deadline to Apply: Friday, December 5, 2014, by 5 pm.**

**Southern Exposure (SoEx)** is an artist-centered non-profit organization that is committed to supporting visual artists. Through our extensive and innovative programming, SoEx strives to experiment, collaborate and further educate while providing an extraordinary resource center and forum for Bay Area and national artists and youth in our Mission District space and off-site, in the public realm.

### **About The Artists in Education Program:**

Southern Exposure's nationally recognized Artists in Education (AIE) program brings together diverse youth, artists, schools and community-based organizations in a dynamic series of innovative programs. AIE offers youth opportunities to learn critical, artistic, vocational, and cultural skills and experiences beyond the traditional school environment. It also offers professional teaching opportunities for local emerging artists to become arts educators, extending their practice into the community. Sparking a dialogue on contemporary artistic practice and sociopolitical issues, AIE demonstrates the role of artists in society and reflects the conceptual thinking from our exhibition programs to provide new means of expression for youth. With the lack of positive, creative outlets for youth, AIE fills a crucial need in the community.

### **About the Youth Advisory Board:**

The Youth Advisory Board (YAB) program gives young people the opportunity to exercise leadership skills and participate in their community by exploring relevant social and personal issues through visual arts. YAB is organized by Southern Exposure's in collaboration with local community-based youth organizations. The program bridges neighborhoods and cultures by pairing local artists with teens.
